

Asheville's Summer Contra Jam
August 25, 26, 27
Dancers! Musicians! Callers!

Join us for a laid-back, end-of-summer camp weekend of music, dance, food, and lakeside relaxation as we return to Camp Ton-a-Wandah, near Hendersonville, NC.

Dancers — Dance to the area's best musicians as they create big-band walls-of-sound for the contras, smooth melodies for the waltzes, swing music for the beach and some late-night blues and swing.

Musicians — This is your chance to play and jam with the best. The open contra stage will be led by performing musicians from our fabulous local and regional bands, as well as the Asheville and Atlanta Community Contra Bands. There are additional opportunities to play at the waltzes, swing on the beach, late night blues and informal jams.

Callers — Open calling will be coordinated by Diane Silver.

Eaters — Enjoy the excellent cuisine of True Color Cooking (Harriette Bugel), or bring your own, or eat out nearby.

Parents — Bring your family. Children can dance, and/or enjoy the beach and various supervised activities while you play, call, dance, or just hang out.

What else to bring

Weather in the NC mountains is variable.
Layering is recommended. Bring outdoor clothing, **flashlight**, warm coat, rain gear; swim things, beach balls, noodles & other floatables, sunscreen, etc. And of course, dance clothes and shoes, instruments, etc.

Bring Lawn Chairs! They will be great at the beach, fire circle, and around the dance hall.

No Pets Please!

Food

Friday dinner -- Bring your own complete picnic dinner (NOT a potluck) to enjoy at the camp with others. You can visit with friends at the tables in the dining hall from 5:00-7:00, but sorry, no use of camp dishes and NO KITCHEN ACCESS! Or, enjoy nearby restaurants.

Saturday and Sunday meals are provided for those who purchase the meal plan.

Others are free to bring their own food, but please note that there is no room in the kitchen for storing personal food. Be sure to bring a cooler with ice if you need refrigeration.

Please contact us to discuss special needs. We might be able to rustle up a tiny bit of space in a refrigerator, or ice to replenish your cooler, for people with special food needs who **make arrangements ahead of time.** (No guarantees, but ask and we'll try).

There are also various restaurants in Hendersonville or Flat Rock.
